Dear Sir:

Applicants respectfully request that the Patent Office mail a Corrected Notification of Acceptance (Form PCT/DO/EO/903), to reflect the correct completion date for the requirements under 35 USC §371 (c)(1), (c)(2) and (c) (4) as March 9, 2007, not March 6, 2007 as is presently in the USPTO database.

Applicants filed a Petition for Corrected Notice of Acceptance and Filing Receipt on July 28, 2010. The Petition was granted on March 11, 2011. The granted Petition directs the National Stage Processing Branch of the Office of Patent Application processing to mail a Corrected Notification of Acceptance. However, despite repeated calls to the USPTO requesting this corrected Notification, a corrected Notification has not been mailed.
